Our IT rental programmes make it possible to **respond securely at speed and scale**, to fast-changing operational needs in a compliant and sustainable way.

From one off events to longer-term projects, we offer rental firms fast access to an extensive inventory of state-of-the-art IT and AV equipment from industry leading manufacturers.

From one off events to longer-term projects, we offer rental firms fast access to an extensive inventory of state-of-the-art IT and AV equipment from industry leading manufacturers.

Experienced at working with firms that need certainty around cost, convenience and control, our dry hire services enable you to:

- Avoid supply chain constraints
- Hire equipment in volume for an agreed time period
- Rapidly access specialist kit
- Flex your equipment range with zero capital outlay
- Customise equipment and resources to specific project demands
- Maximise resource utilisation and pivot rental stock as needed

Ideal for professional production companies, event organisers and managed IT providers, as well as specialist rental firms, **we can tailor a dry hire solution to any requirement** you might have.

A trusted provider

We understand the importance of meeting tight deadlines and having equipment ready at a moment's notice. Our dry hire team are on hand to provide advice and guidance on any short-term and long-term hire need.

Our dry hire equipment includes:

- Modular LED panels, video walls and flat screens
- Mobile LED screens, outdoor LED screens
- Projectors and screens
- Media servers, players and controls
- Digital signage
- TV screens - up to 98"
- Interactive touchscreens - touch tables, kiosks, whiteboards, tablet displays
- Voting systems
- VR headsets
- Laptops, tablet PCs, desktops, workstations and monitors
- Servers, storage, switches and networking equipment

With Hamilton Rentals you gain:

- **Fast access** - to our experienced teams who can help you find the right equipment at the right price.
- **Equipment that is fully tested, cleaned and ready to use.**
- **A choice of delivery options** – collect directly from us or opt for shipment to your warehouse or wherever kit is needed.
- **Configuration and system build services available on request.**

We have over 30 years' experience assisting specialist industry providers with equipment hire on a dry hire basis
